## MEMORANDUM

TO: All Budget Workshop Participants

FROM: Debra Hinline, Director

DATE: May 30, 2006

SUBJECT: Budget Workshop Materials

For this year's Budget Workshop, we have posted all general materials on the web. Unlike previous years, there will not be a packet of materials distributed to everyone. To access AND print these materials, please go to:

<http://www.doe.state.in.us/finance/welcome.html>.

The materials are posted on this website in the order of the agenda for the day.

**To repeat, there will not be "hard copies" of the posted materials distributed at the workshop. Please check the website daily, as new material may be added after the initial posting.**

There will be school corporation specific materials distributed. These materials include the 2007 Basic Grant Worksheet, Transportation Levy Worksheet, and Textbook Levy Worksheet.

As a change from previous years, the current Basic Grant Worksheet and current DOE 54 will not be included in this year's school corporation specific packet.
